

Cut

Heavy Duty

Robust latex-coated gloves combining mechanical performance with superior wet and dry grip

- **Increased durability:** Owing to their crinkled finish latex coating, EDGE[®] 16-347 safety gloves last longer, possess abrasion, cut and tear resistance capabilities, and boast high grip performance whether on wet or dry surfaces
- **Heightened comfort:** To ensure all-day comfort, these hand protection gloves are made with soft jersey knit liner, making them at once comfortable, flexible and durable
- **Added protection:** EDGE[®] 16-347 heavy-duty gloves feature safety cuffs that extend protection to the lower arms and wrists
- **Food handling compliance:** Composed of FDA-compliant materials, these economical food safe gloves are also safe for use with food and food packaging

Industries

- Construction
- Utilities
