

9" POLYCAST® T-Bevel

The EMPIRE® Level POLYSTEEL™ T-BEVEL is terrific for contractors, professionals and homeowners looking for greater accuracy in their carpentry tasks. It features a nine-inch adjustable blade that is made of stainless steel to give it greater strength and durability. The Empire Level woodworking T-bevel delivers sturdiness and easy handling thanks to its Polycast® handle. The recessed AirGrip handle allows for better gripping and control. The low-profile locking nut enables you to use the Empire Level 130 9-inch polycast T-bevel with either your left or right hand. Weighing at just 0.31 pounds, it's lightweight, which makes for convenient usage on the job site and easy transportation from place to place.
