

## M18™ FUEL™ 7-1/4" Dual Bevel Sliding Compound Miter Saw Kit

The M18 FUEL™ 7-1/4" Dual Bevel Sliding Compound Miter Saw was designed for the demand needs of the professional carpenter and remodeler. Designed to increase productivity and efficiency on the jobsite, the 2733 combines the best in accuracy, portability and performance. Weighing in at only 28 lbs with battery, the M18 FUEL™ 7-1/4" Dual Bevel Sliding Compound Miter Saw is the Lightest Weight saw in its class. Dual bevel functionality provides users the most efficient and productive way make a variety of different cuts without flipping or turning the work piece. The combination of the POWERSTATE™ brushless motor and M18 REDLITHIUM™ XC5.0 battery delivers over 600 cuts per charge for all day run-time on a single charge.
