M18

**PERFORMANCE DRIVEN
TRADE FOCUSED
SYSTEM WIDE**

The M18 FUEL™ Mud Mixer with 180° handle is the industry's first dedicated cordless solution that delivers the performance and durability to fully replace corded mixers. With the POWERSTATE™ Brushless motor it has the power to mix heavy compounds, such as concrete and mortar. Using our REDLINK™ intelligence the variable speed dial, the variable speed trigger and the lock on button combine to give the user ultimate control for a consistent mix and cleaner working environment. With the M18 REDLITHIUM™ battery the user can mix up to 15, five gallon buckets on one 5.0Ah battery. The 180° adjustable handle is designed to allow every user to optimize the handle position for their comfort. This Milwaukee cordless solution increases productivity by eliminating the need for cords and allows the user to mix the material at the workspace where it is being applied.
