

Miter Saw Stand Mounting Brackets

Designed to be used with the Milwaukee folding miter saw stand (48-08-0551), the miter saw mounting brackets allow you to quickly attach and detach a saw from your stand. Each package includes 2 mounting brackets that are designed to work with all brands of miter saws. Brackets allow you to place you saw on a flat surface even when not attached to the stand. Includes saw mounting hardware.

INCLUDES:

- (1) Miter Saw Stand Mounting Brackets (48-08-0554)
