

5" Curved Locking Pliers

Milwaukee Torque Lock Locking Tools provide faster tool setup and more locking force for the professional tradesman. The patent pending thumb screw provides the user with a more convenient geometry for hand force, while providing clearance to generate more torque with the unique screwdriver through-hole design. Featuring hardened jaws for more gripping power, and forged alloy steel for maximum durability, Milwaukee locking tools are made for the toughest applications and jobs.

INCLUDES:

(1) 5" curved locking pliers (48-22-3422)

FEATURES:

- Torque lock: faster setup and easy release
- Hardened jaws: better grip
- Forged alloy steel: for maximum tool strength and durability
- Rust protection: increases tool life by resisting corrosion

PRODUCT SPECIFICATIONS:

Handle Length (in.)	3	Product Height (in.)	.8 in
Product Depth (in.)	3 in	Product Width (in.)	9 in
