

7-PIECE SHOCKWAVE™ IMPACT MAGNETIC DRIVE GUIDE SET (5 Pack)

Milwaukee® SHOCKWAVE Impact Duty™ Magnetic Drive Guides are engineered for extreme durability and up to 30x life. They feature an optimized shockzone™ that absorbs peak torque and prevents them from breaking. The stainless steel sleeve slides over the fastener for improved stability while the barrel has laser etched depth gauge for increased fastener control. The drive guide is magnetic to hold the fastener, while a c-ring retains the driver bit.

INCLUDES:

- (2) T25 Insert Bits
- (2) PH2 Insert Bits
- (1) T20 Insert Bit
- (1) 6" Magnetic Drive Guide
- (1) SQ2 Insert Bit

FEATURES:

- Optimized Shockwave™ absorbs peak torque and prevents breaking
- Stainless Steel Sleeve extends for improved fastener stability
- Laser Etched Depth Gauge for increased fastener control
- Magnet holds fasteners to the drive guide
- CUSTOM ALLOY76™ STEEL Maximizes resistance to wear and shock

PRODUCT SPECIFICATIONS:

Height	0.46"
Width	0.46"

Length	6"
Weight	0.15 lbs
