

SHOCKWAVE™ Lineman's 7/16" to 1/2" Impact Socket Adapter

The Milwaukee Shockwave™ Lineman's 7/16" Hex to 1/2" Square Adapter is the most durable adapter on the market and it's pin detent allows for better retention to the socket. The adapter features an Optimized Shockzone™ that absorbs peak torque and prevents the adapter from breaking, providing up to 30X life. The adapter is made from Custom Alloy76™ Steel, which maximizes it's resistance to wear and shock. The 7/16" hex shanks allows the adapter to lock into all 7/16" quick connect chucks.
