

## SDS-Max 24" Bull Point Chisel

Milwaukee® chisels are made from high grade, forged steel, providing up to 20% longer life. Bull point chisels are ideal for general demolition and starting holes in brick, block, and concrete. The long bit length allows for increased reach and reduces user fatigue in downward chiseling applications. This chisel is specifically designed for SDS-Max rotary hammers and should be used in hammer only mode.

### INCLUDES:
