

SDS-MAX 2x15" TILE CHISEL

Milwaukee® chisels are made from high grade, forged steel, providing up to 20% longer life. Tile chisels are ideal for removing tile, laminate, and other composite material. Tile chisels can be used for concrete applications. The angled, offset head design and extended tip allow for flush surface material removal. This chisel is specifically designed for SDS-Max rotary hammers and should be used in hammer only mode.

INCLUDES:
