

SDS+ 5-1/2" Bull Point Chisel

Milwaukee® chisels are made from high grade, forged steel, providing up to 20% longer life. Bull point chisels are ideal for general demolition and starting holes in brick, block, and concrete. The short bit length allows for easy access in tight spaces. This chisel is specifically designed for SDS-Plus rotary hammers and should be used in hammer only mode.

INCLUDES:

[\(1\) SDS+ 5-1 /2 BULL POINT \(48-62-6012\)](#)

FEATURES:

- Short length for access in tight spaces
- 5-1/2" overall length
