

SDS+ 5-1/2" Flat Chisel

Milwaukee® chisels are made from high grade, forged steel, providing up to 20% longer life. Flat chisels are ideal for general demolition and surface cleaning in brick, block, and concrete. The short bit length allows for easy access in tight spaces. This chisel is specifically designed for SDS-Plus rotary hammers and should be used in hammer only mode.

INCLUDES:

[\(1\) SDS+ 5-1/2 FLAT CHSL \(48-62-6014\)](#)
