

# Coated Abrasives

## Rolls-Shop, Screen, Plumber

Shop Rolls are used in workshops, maintenance, tool-making, fabrication shops and production applications. The

material can be torn by hand to any length for practicality and economy. Choose from a wide selection of type, sizes and grits.

### Resin over Glue

Provides good heat resistance and smooth finishes. Aluminum oxide cloth, for use on ferrous and non-ferrous metals grinding flat or irregular

surfaces, cleaning and polishing of rough ground workpieces.

Dimensions (Inches x Yards)	PFERD Number	Grit and EDP Number						
		40	50	60	80	100	120	150
		180	220	240	280	320	400	500

#### Aluminum Oxide

1 x 50	SBRG 2546	47100	47101	47102	47103	47104	47105	47106
		47107	47108	47109	47110	47111	47112	47113
1-1/2 x 50	SBRG 3846	47150	47151	47152	47153	47154	47155	47156
		47157	47158	47159	47160	47161	47162	47163
2 x 50	SBRG 5146	47200	47201	47202	47203	47204	47205	47206
		47207	47208	47209	47210	47211	47212	47213

### Resin over Resin

Aluminum oxide cloth with a combination resin-over-resin bond most resistant to heat and moisture, very strong bond for best durability. For

use on ferrous and non-ferrous metals grinding flat or irregular surfaces, cleaning and polishing of rough ground workpieces.

Dimensions (Inches x Yards)	PFERD Number	Grit and EDP Number						
		40	50	60	80	100	120	150
		180	220	240	280	320	400	–

#### Aluminum Oxide

1 x 50	SBRR 2546	47114	47115	47116	47117	47118	47119	47120
		47121	47122	47123	47124	47125	47126	–
1-1/2 x 50	SBRR 3846	47164	47165	47166	47167	47168	47169	47170
		47171	47172	47173	47174	47175	47176	–
2 x 50	SBRR 5146	47214	47215	47216	47217	47218	47219	47220
		47221	47222	47223	47224	47225	47226	–

### Plumber Rolls

Aluminum oxide cloth roll particularly suited for cleaning pipe ends. Open coat and high flexibility.

Dimensions (Inches x Yards)	PFERD Number	Grit and EDP No.
		120

#### Aluminum Oxide

1-1/2 x 10 Yards	PBR 3809	47240
1-1/2 x 25 Yards	PBR 3823	47241

### Screen Rolls

Silicon carbide screen cloth is highly resistant to loading. Offers long life on ferrous and non-ferrous metals, wood, plastics and other materials. Double sided.

Dimensions (Inches x Yards)	PFERD Number	Grit and EDP Number		
		80	120	180

#### Silicon Carbide

1-1/2 x 5 Yards	SBRS 3805	47230	47231	47232
1-1/2 x 10 Yards	SBRS 3809	47233	47234	47235
